Important

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is provided with each container shipped, it is also available from the distributor.

Product Directions

Use 1 ounce per gallon, pre-dissolve in hot water (120 -140 F).

COFFEE AND TEA MAKING UNITS: Pour into place as if ready to start normal operation. Run through regular cycle, brush sight glass, faucets, spouts and crevices; drain, rinse well and sanitize.

PLASTIC AND CHINA UTENSILS & WARE: Immerse utensils completely in solution and soak until food stains disappear. Rinse thoroughly with clean water and sanitize.
