Important

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is available using the QR code on the label and is also available from the distributor.

Product Directions

Equipment to use:

Spray bottle or pail and mop, sponge, cleaning cloth, bowl mop, scrub brush, rubber gloves and eye protection.

Directions for use:

Germicidal Cleaner & Disinfectant is designed to be used in conjunction with the Array Sanitation System. The Array Sanitation System automatically dispenses Germicidal Cleaner & Disinfectant at the proper use dilution, assuring consistency and economy.

Check with GFS regarding availability and product registration status in your state.
See product Reference Sheet or container label for more information.
