Important

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is provided with each container shipped, it is also available from the distributor.

Product Directions

Equipment to use:

Clean cloth, rubber gloves, eye protection and scraper.

Directions for use:

1. Remove excess grease with scraper.
2. Spray or pour 2 to 4 ounces of product evenly over medium-hot oven or grill (300-350ºF/149-177ºC).
3. Immediately spread product around. Use moderate pressure to scour away burnt-on food soil.
4. For heavily soiled oven and grill you may need additional product.
5. Turn the oven or grill off. Wipe down the surface using a thick, wet cloth.
6. Rinse with potable water.
