Important

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is available using the QR code on the label and is also available from the distributor.

Product Directions

Equipment to use:

Recommended dispensing system.

Directions for use:

1. Remove the small outer cap with flip tab from canister cap. DO NOT remove the large inner cap.
2. Place the canister into the concentrate dispenser, open end down. Use handle when transporting canister.
3. DO NOT remove concentrate canister until completely empty.
4. To remove empty canister, lift from the dispenser by the handle, and turn upright to avoid spills. Dispose of canister immediately. DO NOT reuse empty canister.
5. Place new concentrate canister into dispenser.

Notes: DO NOT use in conventional water-filled (reservoir) systems. Dispenser will not activate unless a canister is in unit properly. DO NOT use on aluminum
