Important

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is provided with each container shipped, it is also available from the distributor.

Product Directions

Equipment to use:

Recommended automatic liquid laundry injection system.

Directions for use:

1. Pre-sort laundry prior to wash.
2. Pre-soak and/or pre-spot laundry when necessary.
3. Place proper amount of laundry into laundry machine.
4. For wash cycle, use 1 - 1.75 ounces of product per 50 pound load.
5. When bleaching, use recommended laundry bleach at the proper dilution.
6. When souring and/or softening, use recommended product(s) at the proper dilution(s). Consult a chemical specialist for proper concentrations.
