Important

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is provided with each container shipped, it is also available from the distributor.

Product Directions

Equipment to use:

Comes with disposable hose sprayer. Ready to use.

Directions for use:

For dock areas and trash cans: spray three times per week to eliminate and prevent build up of slippery food, soils and grease.

For dumpsters: Spray into the interior and surrounding area of dumpster.

1. Spray first when dumpster is emptied.
2. Spray treatment again when dumpster is 1/3 full.
3. Spray the final treatment when dumpster is 2/3 full.
4. Repeat process when dumpster is emptied.
