Important

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is available using the QR code on the label and is also available from the distributor.

Product Directions

Equipment to use:

Safe for use with most standard carpet extraction or deep extraction device.

Directions for use:

General use:

1. Pre-test cleaner on carpet for colorfastness in an inconspicuous area. Not recommended for natural fiber carpets.
2. Remove furniture and dry vacuum thoroughly.
3. Remove stains and pre-treat traffic lanes and heavily soiled area(s) with appropriate solutions.
4. Dilute as shown below. DO NOT over wet carpet. Add defoamer to recovery tank as necessary.

Dilution ratio	Application
2 ounces per 1 gallon	for spotting

5. Restrict all traffic until carpet has dried. Place protective pads under furniture legs.
