Important

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is provided with each container shipped, it is also available from the distributor.

Product Directions

Equipment to use:

Spray bottle, clean towel or cloth. Rubber gloves are recommended.

Directions for use:

General use: Apply to surface and wipe with a soft cloth, spreading and rubbing to be sure entire surface is covered. Always polish with the grain of the stainless steel.
For heavier soiled areas: 1. Use a recommended general purpose cleaner first, then apply polish. 2. Allow for a brief soaking period after application until accumulated soil is removed. 3. Turn cloth frequently to keep the clean areas working with the polish.
Notes: Never use on floors and protect floors from overspray. DO NOT use product on food contact surfaces. Contains petroleum solvent. Wash hands thoroughly after using. Recommend wearing rubber gloves.
