Important

Read and understand the label and Safety Data Sheet (SDS). These provide a description of hazards, precautions, personal protective equipment, first aid, 24 Hour Emergency lines, storage data and other safe handling information. The SDS is provided with each container shipped, it is also available from the distributor.

Product Directions

Equipment to use:

Recommended automatic liquid laundry injection system.

Directions for use:

USE DILUTION: Concentration varies due to environmental conditions and load size. Your sanitation specialist will adjust properly to meet your needs.

1. Pre-sort laundry prior to wash.
2. Pre-soak and/or pre-spot laundry when necessary.
3. Place proper amount of laundry into laundry machine.
4. For wash cycle, feed a recommended detergent.
5. When bleaching, feed a recommended laundry bleach.
6. When softening, feed this product.

A final pH of 5.5 - 6.5 is recommended for the fabric.
